

# EVENTING COURSE DESIGNER ACADEMY

**Dear Madam/ Sir,**

For many years, we have observed a continuous need for an increased level of education as well as opportunities to obtain experience and qualification in order to develop XC Course Designers around the world.

Realising this need, I decided to launch the Eventing Course Designer Academy. The first project of its kind in the World aimed at helping the development of XC Course Designers.

**Dear Madam/ Sir,**

- If you want to gain education and experience as a XC CD, we have a unique offer for you to improve your skills and expand your experience.
- Stragona Equestrian Center and Marcin Konarski, FEI Level 4 CD, offer the opportunity to undergo monthly (4-5 weeks) internships combined with CD practice during national and international competitions. Stragona Equestrian Center, with its exceptional facilities, is hosting 5-6 FEI competitions up to 4\* Level every year
- During your stay, you will have the opportunity to learn the art of building mobile fences, placing them on the XC track, decorating them and everything else related to prepare a cross country for a competition. Above all, you will have the possibility to design yourself a XC track for a competition. Of course, it will be at a level to suit your current abilities.
